Summer 2012

Dear Fellow Huntington Resident:

On behalf of my Town Board colleagues, I am proud to present our 2012 Parks and Recreation Summer Brochure. The programs and activities listed in this brochure represent our continued commitment to meeting the recreational needs of our residents.

This summer, we are proud to offer several new activities and programs, including: kayak instruction and guided tours, beach "Hoop Workout," Fitness Fun at Caledonia Park and a Ramp Camp at the skate park at Veterans Park. For those who love to fish, we will offer a new evening and early morning parking permit at Crab Meadow Beach.

I am also proud to announce that the Town was recently recognized by the New York State Recreation and Park Society for the Veterans Park expansion and renovation project and for the longstanding Three-On-Three Basketball Tournament.

To better serve residents, the Town recently launched Huntington @ Your Service, a new way to contact the Town using a computer or smart phone to obtain information or to request action. To learn more about this exciting new initiative, go to our newly-renamed web address, <http://huntingtonny.gov>, and view the video tutorials on how to use Huntington @ Your Service.

For the latest and up to date information on our Parks & Recreation offerings, please refer to <http://tohparks.com>.

As always, we welcome your comments and input. If you prefer to contact us by telephone, please call the Department of Parks & Recreation at (631)351-3089. This number is available from 8:30a.m. to 4:30p.m., Monday through Friday.

Wishing you and your family a safe and enjoyable summer.

Sincerely,

Frank P. Petrone
Supervisor

The Town of Huntington Department of Parks and Recreation *Leisure Services* Brochure can be viewed or downloaded in pdf format from the Town of Huntington's website: HuntingtonNY.gov; Click on the large blue "**Huntington @ Your Service**" button, under the headings listed alphabetically scroll to and click on parks, recreation, beaches + waterways and click on the Leisure Services Brochure which is listed under General Information. The Summer Brochure is available in April. The Fall/Winter Brochure is available in September.

This brochure includes Programs and Services provided by the Department of Parks and Recreation from April through September. The Department reserves the right to make any adjustments or changes deemed necessary.

Program registrations are conducted on a first-come, first-serve basis. Preference is given to Huntington residents. Non-resident registrations start two business days after the resident registration date.

Unless otherwise stated, an *immediate family* member may only register themselves, their children, and one other family in addition to their own. The *immediate family* consists of parents, grandparents, brothers, and sisters of the participant.

ALL FEES ARE SUBJECT TO CHANGE. NO REFUNDS

No refunds are issued by the Parks and Recreation Department unless a program is cancelled by the Department. Programs listed in this brochure conducted at school facilities are subject to cancellation or change by the school district.

TO REGISTER ONLINE USING WEBTRAC:

If you already created a household account in **WebTrac** you can register for programs by going to **www.tohparks.com** and log in using your user name and password. You can register by selecting the activity type and finding the program or you can browse activities and search by type, age, grade, or activity number.

If you haven't created a household account you can go to **www.tohparks.com**. If you currently have an active Recreation I.D. Card or Golf Card it must be connected to your household account. This can be done by visiting the Parks and Recreation Office in Town Hall, Monday – Friday, 9:00 a.m. – 4:00 p.m. or at the Dix Hills Ice Rink, Monday – Friday, 8:00 a.m. – 8:00 p.m. /Saturday and Sunday, 10:00 a.m. – 5:00 p.m. You can also call the Parks and Recreation Department at 351-3089 and they will try and connect your card if possible.

If you don't have or can't purchase a Recreation I.D. Card or Golf Card, you can still create your own household account in WebTrac and pay the non-card holder fee.

There are NO REFUNDS for activities unless the Department cancels a program.

For children under 13 years of age a parent or guardian can use their Recreation I.D. Card/Golf Card.

The new registration system saves participants money because there is no service fee. You can also add your name to a waiting list and use program credits online.

If you have any questions call the Parks and Recreation Department at 351-3089 or 351-3093.

DATES & TOPICS

Science in Motion: Grades 1 – 4 — Science and engineering go hand-in-hand as our campers discover what machines and nature have in common. Campers will build various structures like bridges and domes, discover how animals and bugs move through their world and ours, and run a crazy obstacle course with the help of simple machines.

July 2 – 6 (no class July 4) Act. #123401-01

Junior Robotics: Grades K – 3 — Enter the world of elementary robotics! These five half-days of Junior Robotics geared towards basic circuitry, mechanical science and robot building. Campers get a chance to design their own robots, learn about the parts inside a robot, and experiment with real robots! Develop building skills and put your imagination to the test! Each camper will work daily on a robot and take it home at the end of the week! **Materials Fee: \$10**

July 9 – 13 Act. #123401-02

Robots Engineers: Grades 3 – 6 — Join us for a week of fun with amazing robots! In this full week of half-days, learn about the uses of robots in our world and spend time experimenting with super cool red-hot robots. Experiment with sound sensing robots, line-tracking robots, solar powered robots and robots that can even be programmed! Discover the science of circuits and how robots use their components to explore and react to what is around them. Use your skills to build your very own working robot to take home with you! **Materials Fee: \$25**

July 16 – 20 Act. #123401-03

Junior Scientist: Ages 4 – 5 — Become a Junior Mad Scientist! This new camp is a great introduction to science. Preschoolers explore the human body, and their sense of sight, sound, and touch. Explore the science of colors and the way things move. Campers become paleontologists by searching for fossils and participating in a mini dinosaur dig. Finally, take an exciting mission with *Mad Science* to explore the planets, moons and stars. Campers will enjoy daily take-home projects related to each subject.

July 16 – 20 Act. #123401-04

Secret Agent Lab: Grades 2 – 6 — Step into the shoes of a detective by uncovering the science involved in evidence gathering and analysis. Become a super sleuth and learn clever ways of performing tasks in this hands-on view of the science that spies use. From decoding messages to metal detectors and night vision, campers will have the opportunity to check out spy equipment, and discover the technological tools of detection!

July 23 – 27 Act. #123401-05

Advanced Robotics: Grades 3 – 6 — Join us for a week of fun with amazing robots! Learn about some advanced robots in our world today. Experiment with sound sensing robots, line-tracking robots, and programmable robots! Put your robotic knowledge to the test! Use your skills to build your very own working robotic arm to take home with you! **Materials Fee: \$35**

July 30 – August 3 Act. #123401-06

Let's Get Growing: Ages 4 – 5 — Young campers will learn how their gardens grow from the first seedling to the important roles of sun and rain, to plants and flowers that sprout and bloom. They will get acquainted with the many insect inhabitants of their gardens, and learn how those insects help make their gardens so beautiful. 2012 GOLF PROGRAMS

Conducted by George A. Dixon, PGA, and Professional Staff

Golf clubs used for the lessons are provided through a grant from the Sticks for Kids initiative. This initiative was established via a partnership with the Golf Course Builders Association of America (GCBA) and the National Recreation and Park Association (NRPA).

DIX HILLS PARK JUNIOR GOLF PROGRAM

THE BASIC PROGRAM is for boys and girls ages 6-14 that are generally new to the game and that need training in all areas and fundamentals of the game and how to swing all the different clubs. Safety, rules and etiquette are also stressed. The atmosphere is fun, as students will be challenged with various types of games and contests, as well as, introduction to the Golf Course.

THE CLUB DIVISION is for those students who have gone through a basic program at least three times and are ready for organized play on the golf course. Advanced levels of instruction, rules and etiquette along with safety and sportsmanship is the focus of this program as students play various types of golf formats on the golf course.

DATES: *Makeups can be pre arranged to accommodate Family Vacations*

CRAB MEADOW HIGH SCHOOL GOLF DEVELOPMENT PROGRAM

OBJECTIVE:

A unique golf experience for the intermediate high school golfer who wishes to take the game to the next level.

LESSONS:

Playing lessons with PGA professional **George Dixon** and his Staff is a sure way to get your high school golfer ready for the upcoming season. The lessons will be a series of on-course rounds at the **Crab Meadow Golf Course**, with the goals of developing the following in the player: golf course management, club selection under varying conditions, reading greens, greenside and fairway bunker play, all aspects of the short game, and most importantly, head to head competition as they will see in High School Golf Matches.

The program is open to Girls and Boys who are currently playing on a School Team, or those who are interested in trying out for a team. The lessons are an excellent mentoring program aimed at developing the necessary skills that the Young Golfer will need to compete in Junior Golf at the High School level and beyond.

The program is designed for students who can currently play nine holes of golf unsupervised.

DATES: Thursdays, July 12, 19, 26, August 2, 9, 16

TIMES: 2:00 – 5:00 p.m.

COST: \$375 includes Green Fees

REGISTRATION: Begins April 1st at the **Dix Hills Park Golf Course**. The program is limited to the first 24 students. For any other questions contact the Golf Shop at 631-499-8005.

NYC ITALIAN-AMERICAN STYLE – LITTLE ITALY, THE EATALY, THE WATER

Let's start with a cup of freshly made espresso/cappuccino, coffee and either the famous homemade cannoli or Sfogliatelle at this well-known café. We then enjoy a visit to an 1800's former Italian bank that has now become the historic site of the "Italian American Museum." Among the displays you may view: A Portrait and Red Shirt of Garibaldi; Enrico Caruso's Stage Costume; compare an early version of an espresso machine with yours; or enjoy seeing a famous Manteo Sicilian marionette. Hear the stories that go with some of these treasures as we enjoy a narrated tour and movie. Then walk a few blocks to one of the two famous churches on Mulberry Street, site of the Feast of San Genarro before lunch. Why is the "Eataly Market" famous? When Lydia Bastion lends her name to gourmet foods, it has to be good. We allow two hours for you to explore the latest foodie attraction in Manhattan. From the downstairs marketplace to the rooftop Brewery, you can find a place to purchase and enjoy lunch and shop. Weather permitting you may choose to take your lunch across the street to sit at Madison Square Park or the charming public plaza in front of the Flatiron building. We will re-board the coach and head to the South Street Seaport. Oh, the sites you see from the water, as we board the NYC Water taxi for a full hour boat ride with narration. Stretch your legs a bit at the Seaport before heading home after a true NYC Italian American Adventure.Act. #112101-01

NATIONAL HISTORIC TREASURES IN HUDSON RIVER VALLEY

She was called the "First Lady of the World" and he was an heir to the Vanderbilt fortune and today off LI to upstate to Hudson Valley to explore both places and a wonderful musical luncheon. We meet a local tour guide who narrates as we make our visit. First is the charming cottage Val-Kill. This famous First Lady entertained such dignitaries as Winston Churchill, Khrushchev and Nehru. She added on the distinction of being Ambassador to the United Nations and was Eleanor Roosevelt, "First Lady" to the President. At our next stop we tour the home of grandson of "The Commodore," who was one of the richest men in the world. Frederick W. Vanderbilt constructed his mansion with the creativity of the famous Charles McKim and Stanford White. He entertained his wealthy family and friends in the spring and fall and strolled private paths in leisure. We also take a leisurely tour of the 50 room mansion and gardens. Now hungry for lunch, we head to the historic Homestead. Your host and hostess live in this pre-revolutionary war Dutch homestead. Dressed in authentic costume, we meet husband and wife who will prepare your brunch and provide some glorious tenor singing during our brunch. Time permitting, we may have a brief tour of this historic homestead. Our last stop will thrill you. We view the "longest pedestrian bridge in the world." It spans the Hudson River for over a mile, and the view should be amazing. Bring your camera for today's special tour. Naturally wear your most comfortable shoes for this full day of walking activity and adventure.....Act. #112101-02
